

Society of Fire Protection Engineers
PACIFIC NORTHWEST CHAPTER

CHAPTER MEMBERSHIP & DUES

The Chapter dues are \$20.00. The dues will go to support our chapter activities of *Advancing the Science and Practice of Fire Protection Engineering*. This includes our operational fees such as luncheon meeting fees, mailings, website fees, as well as participation in various professional organizations in the Puget Sound, such as PSEC (Puget Sound Engineering Council) and the Washington State Association of Fire Marshals.

Chapter membership entitles individuals to email notification of events, meetings, job postings, and continuing education opportunities. The chapter newsletter, *Flashpoint*, is also electronically distributed to members.

Please provide the following information and return to Shawn Bliss with your dues. Please make checks payable to “**SFPE-PNWC**”.
